than written statements made by people who did not appear to testify and were not available for cross examination. The statements are not even sworn. 4. These documents were not listed on Plaintiffs' exhibit list [Doc. 43] pre-hearing.

5. Copiah County Election Commission would particularly object to the "incident report" concerning Copiah County. Plaintiffs did not list the document as an exhibit at the hearing nor call any of the persons listed therein as a witness at the hearing. As a result, Copiah elected not to call any witnesses. Furthermore, the Court stated at the hearing that the documents were not going to be accepted into evidence. To allow this document to be accepted into evidence in this fashion would violate fundamental fairness and be contrary to law.

Respectfully submitted, this 31st day of July, 2014.
